

Mixture

AFRICAN (AMERICAN) MARIGOLD ●

Tagetes erecta

Taishan® Series F1

Height: 10 to 12 in./25 to 30 cm
Spread: 8 to 10 in./20 to 25 cm

Seed supplied as:
 Coated, De-tailed

Plug crop time: 3 weeks
Transplant to finish: Spring 5 to 6 weeks, Summer 7 to 8 weeks

- Best dwarf African marigold for landscapes - 20% shorter peduncles and 15% thicker stems assure less stretch and breakage.
- Big, tightly petalled blooms on super-strong stems look terrific at retail with less waste, better overhead watering tolerance and longer shelf life.
- Better branching with more aggressive side branching fills packs quickly and delivers a healthier look.
- Larger flowers hold their doubleness and shed water well.
- Performance is so spectacular that Taishan was featured in landscapes at the 2008 Olympic Games in Beijing, China.
