

# Queen of Sunlight

Sanvitalia speciosa

Exceptional uniformity and compactness from seed.

Heavily branching, uniform and compact with masses of flowers make this seed raised Sanvitalia a true alternative to cuttings.

- Easy to produce in small pots, at high densities, or as a premium hanging basket.
- Makes an excellent addition for mixed combinations or for use as a cheerful patio plant.
- For best and most uniform pot fill: use 3 seeds per plug.

Germ. rate	Product form	Pot size	PGR	Crop time after potting	Finished plant shipping month	Plant height	Habit	Exposure
75%	Raw	9-11 cm	If needed	6-8 weeks	April-July	20-25 cm	Mounding	Sun

Queen of Sunlight 70055331

Antigua Yellow 70000560 & Orange 70000561

# Antigua

Tagetes erecta

The trusted choice for bedding and borders.

Antigua is early, uniform and compact and therefore ideal for high density cultures. Less day-length sensitivity makes Antigua easy to schedule and grow.

- Less day-length sensitivity makes Antigua a programmable, easy-to-grow marigold for early spring shipping.
- Naturally dwarf and branching plants are ideal for large packs and small pots and fit perfectly on racks with little to no PGRs required.
- Strong flower stems support beautifully rounded 7 cm blooms that hold up well in shipping and the garden.
